Avon Tyrell

With the weather on their side, our Year 6 pupils have been making the most of their time away, enjoying a fantastic range of activities.

From tree-top climbing to exciting water adventures, the fun hasn't stopped! They've been ending their evenings gathered around the campfire, sharing stories and making memories.

We were very privileged to welcome composer James Redmond to our school this week as part of an exciting project to create music for a Bournemouth Symphony Orchestra concert taking place in May.

Our Year 4 pupils worked incredibly hard, putting their musical skills to great use as they composed recorder parts that will be learned by schools across the BCP area later this year. We can't wait to visit the Lighthouse in Poole next year to hear their work!

Have you spotted **the Easyfundraising** banner on the school gates?

It includes a QR code that makes it quick and easy to sign up — and best of all, it's completely free!

Every time you shop online with participating retailers, a donation is made to the St Joseph's PTFA — at no extra cost to you!

The funds raised go directly towards exciting extras for our children, such as: Book bags, Lower School Santa visit, Leavers' hoodies, Pancakes, Play equipment... and much more!
