Leading the Way!

Meet our newly appointed House Captains!

Chosen by their classmates, these pupils have been selected for their leadership qualities, positive attitude, and commitment to our school values.

They will represent their houses in events throughout the year and act as role models for the whole school community.

It's been a busy and enriching week at St Jo's!

Year 3 enjoyed an exciting visit to New Barn, where they brought their history learning to life through butter-making, rock carving, and mixing traditional herbal medicines. Their historical guide, Dave, shared fascinating facts and answered lots of eager questions!

A selection of our Year 5 and Year 6 pupils attended their first cross country fixture of the year at Canford School. They showed fantastic effort, resilience, and sportsmanship—well done to all who took part!

Meanwhile, our Mini-Vinnies celebrated National Poetry Day with a special visit to Bourne View, where they read beautiful poems to the residents – performance poetry at its finest! The smiles on everyone's faces said it all, and we're looking forward to sharing some original Christmas poems written by the children later this term.

Back at school, the Mini-Vinnies have also been busy supporting our school community by weeding and planting herbs outside the Year 3 classrooms—what a wonderful start to the new season!
