## Year 1 - Creature Teacher

We were thrilled to welcome The Creature Teachers and their amazing animal friends to our school this week. The children met hissing cockroaches, a lizard, a snake, ferrets and even an owl.

Our Year 1 pupils were incredibly brave and inquisitive, confidently petting the creatures and asking thoughtful questions.

## The Bourne Community Food Hub

The Bourne Community Food Hub are very grateful for all the donations received during what has been a difficult time for many of our local residents.

As you can see from the photos, the shelves are looking sparse, so donations of any tinned items and dried food are always welcome.
