

# Friday Update

8th May 2026

## No Toys

We are continuing to see an ongoing problem with children bringing toys into school. **Please support us by ensuring all toys are left at home.**

## Turtles Liturgy

Wednesday 13<sup>th</sup> May at  
9:15am

Parents and carers are warmly invited to join us for Liturgy. Turtles class would be delighted to see you there.

## Attendance Award

04/05/2026 - 08/05/2026

## EYFS Craft Afternoon

Recently, parents and carers of our Reception classes were invited in for a fun afternoon of crafts. It was a lovely opportunity to work together and enjoy some creative activities in school. Thank you for making the session such an enjoyable experience.

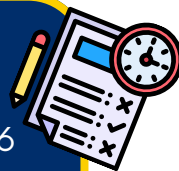

## Parking

Please do not park on the zig zag lines outside the school. These are there to keep children safe when arriving and leaving school.

## Year 6 SATs

We would like to wish all of our Year 6 pupils the very best of luck next week as they undertake their SATs. We are incredibly proud of all the hard work, dedication and resilience they have shown throughout the year, and we know they will do their very best. Good luck, Year 6!

## Y6 - Sports Clubs

Clubs will continue as normal during SATs week. Whether your child attends or not is entirely your decision, and we are happy to support whatever works best for your family during this important week.
