## Colour Run

What a fantastic day! A huge thank you to our incredible PTFA team, who consistently go above and beyond, giving so generously of their own time to make every event the very best it can be for our school community.

Your hard work, dedication and enthusiasm never go unnoticed, and once again you absolutely smashed it out of the park! Thank you for everything you do to support our school.

## Sport & Music After School Activities

September 2026

The SchoolCloud booking system will be live at **6pm this evening** and closes at 9pm on Friday 17<sup>th</sup> July.

## St Jo's Sports

Another fantastic week of sporting opportunities. This week, a group of our pupils took part in cricket and athletics, representing St Joseph's with pride, determination and excellent sportsmanship. They gave their all and were wonderful ambassadors for our school.

These sporting opportunities are a real highlight of life at St Joseph's and are made possible through the dedication of Mrs Keohan. Thanks to her hard work, our school continues to build strong links within the local sporting community, giving children opportunities they may not otherwise have had. We are incredibly grateful for all that she does.

## Mini Vinnie

This week the Mini-Vinnies were invited to attend a festival celebrating the social action achievements they have made during the year. They met with other Mini-Vinnies from catholic primary schools in the area and also made some new friends!
